Summary

PSD (Pro Sport Development) in partnership with PRIA (Society for Participatory Research in Asia) and MFF (Martha Farrell Foundation Kadam) organized the Kadam Badhate Chalo (KBC) Phase 2 Sports Leadership workshop in three districts of Uttar Pradesh viz. Cholapur, Chitrakoot and Banda from the 16-25 January, 2017. These workshops were attended by a total of 103 youth participants (52 boys and 51 girls). One of the main objectives of this workshop was to identify the potential youth leaders/sports trainers and train them with skills which they can use to spread awareness in their communities using sports as a medium.

Introduction

In the Chitrakoot and Banda districts of Uttar Pradesh, some of the participants who attended the KBC sports leadership workshop, conducted sports and awareness activities in their own villages upon completion of the workshop. With the help of the local partner organization ABSSS (Akhil Bhartiya Samaj Sewa Sansthan), some of these young boys and girls used their learnings from PSD’s workshop to teach their community kids and youth lessons in teamwork, communication, leadership and equality via sports games.
