

Martha Farrell Foundation, in collaboration with the Pro Sport Development (PSD) and the Commonwealth Secretariat, produced an online resource entitled “Sport Against Gender Inequality (SAGI)”.

The SAGI online resource has been created in response to the COVID-19 pandemic, to ensure the availability of online sport for development resources to practitioners. Moreover, SAGI aligns with the United Nations’ (UN) sustainable development agenda, with a focus on addressing SDG 5: Gender Equality.

The resource aims to build the capacity, resilience, and confidence of adolescents girls and boys, to recognize, resist and take action on issues of VAW/G in their own families, communities, and local institutions.
